

# Assess your Board's ESG Readiness

December 8 & 9, 2024  
In-person program

## Unlock a Future-Ready Boardroom: Is Your Board Ready to Lead the ESG Revolution?

In today's world, sustainability is no longer optional. Your board's ability to embrace ESG (Environmental, Social, and Governance) factors could determine your company's future success and longevity. Our exclusive training program, held in association with the International Finance Corporation (IFC) is designed to empower board directors, business owners, and senior executives to manage ESG integration, ensuring that your leadership team is well-equipped to drive both profitability and purpose.

Don't wait to prepare your board for tomorrow's challenges today—secure your competitive edge now!
